

In the last few months, the Police has noted an increase of **burglaries** in **cellars** and **communal garages**.

## WATCH OUT!

**Do not open** the main entrance door of the building **without checking**;

Always **lock** the **doors** of your private cellar or garage;

Make sure you **do not leave any highly valuable objects** in your cellar or garage;

**Secure bicycles** in cellars and garages **additionnally**;

**If you notice strangers** who do not live in the building, do not hesitate to **ask them about their intentions**;

**Suspicious observations** should be **reported** immediately to the Police.
